

Please Donate to FAITH "Fighting Cancer"

We ask that you make a donation to help FAITH "Fighting Cancer" in Montgomery County continue its mission. Your contribution will assist your neighbors in their emotional and financial battles against cancer. FAITH works to ensure that your contribution assists individuals with all types of cancer as well as provide education and preventative screenings for those in need.

"In Honor of" or "In Memory of"

A gift to FAITH can honor someone who has touched your life, celebrate a special occasion, or express sympathy for the loss of a family member/friend —while helping others.

An acknowledgement will be sent to you and your designee advising of your gift. (The amount will not be disclosed.) Please include all names and addresses.

Programs and Projects

Donations are most needed for cancer programs for men, women, and children. There are programs at MD Anderson The Woodlands, Lone Star Family Health Center in Conroe, Memorial Hermann The Woodlands Hospital, and Houston Methodist–The Woodlands. There are also programs for Adult Family Assistance and Pediatric Family Assistance.

Please indicate on your donation form under "Comments" where you want your donation applied—honoring someone; men's, women's, or pediatric cancer; or where most needed.
