

APPLICATION OF INTEREST FOR POTENTIAL BOARD MEMBER

FAITH "Fighting Cancer" in Montgomery County is a non-profit 501 (c)(3) organization founded in 2010. FAITH's Mission is to provide emotional and/or financial support for cancer patients and families as well as assist in educational and preventative care programs in Montgomery County and surrounding areas. With the generous donations of businesses, individuals, and active fundraising volunteers, we are achieving our goals.

The organization is presently governed by a twelve person Board of Directors, the majority of whom have had cancer or cared for a loved one who did. The Board of Directors is the principal policy making body that directs the organizations fund raising activities and governs distribution of the money it raises. The fiduciary duty of each board member is of the utmost importance to serve our community in the best way possible. Please be specific with your talents and experience that would pair with FAITH.

Statement of Interest

I understand that by providing this information, I am expressing an interest in potential Board member position and this form is not binding on myself or FAITH "Fighting Cancer" in any way. I understand that by submitting this form, I am agreeing to be vetted and formally interviewed as an interested board candidate. All applications will be kept for future use as openings may come up from time to time.

I understand that Board Members serve voluntarily (non-paid). I understand that a Board term is 2 years and that a member is expected to attend at least 75% of the meetings. Regular meetings are held quarterly but additional meetings may take place. Online attendance is acceptable when necessary. I understand that the nature of my board service is purely for good will and that no conflict of interest will exist. I feel I can provide service, leadership, or skills to the board with my willingness to volunteer.
